

# **RIDE OUT YOUR STORM**

## **Verse I:**

**You've been in the storm, it seems like forever  
Life's all confusions have been oh so long  
Your ship has lost anchor, and the storms got you drifting  
Your night's almost over, so ride out your storm**

## **CHORUS:**

**Ride out your storm, God's is there with you  
You may not feel Him, but you're not alone  
You're hurting now, but your morning is coming  
Just hold on to Jesus and ride out your storm**

**(LAST X add: He's right here with you; you can ride out your storm. He'll never leave you; just ride out your storm.)**

## **Verse II:**

**Remember His promise, "I'll never leave you"  
Though the waters are raging, they'll do you no harm  
Don't give up the battle, for your answer is coming  
Just hold on to Jesus, and ride out your storm**

## **CHORUS:**
